

## God's Choice

Greetings Harvest Conference,

Thank you for your continued faithfulness and dedication to the ministry of God's Choice in these confusing times.

Thank you for the donations given to God's Choice by our various churches.

We know that God is in control and is working through all of this as we see some gather and enjoy their time together praising God.

We continue to wait on Him and His plan for all of us and God's Choice.

Some of our locations have volunteers and need a leader and some are the other way around.

And with Covid returning from time to time, some of our locations are waiting to hear from Group Homes as to when their folks will be able to return to GC.

Here are a few updates that I am aware of. There may be more who are planning.

God's Choice Butler is now back.

God's Choice Canfield meets twice a month. Has really been doing well. This location has lost some of their volunteers and has requested our help because their attendance keeps going up. We live about fifteen minutes from them, so we are thrilled to be able to help often.

God's Choice Kittanning meets twice a month.

God's Choice Cove Run is doing well.

God's Choice Coldwater, Michigan recently had forty folks in attendance, but then took a break because of Covid cases. They will be back in April 2023. This group held a Tim Tebow Prom on Feb. 10<sup>th</sup> of 2023, with 300 people in attendance.

God's Choice Greensburg, Pa is doing well!

God's Choice Monacrest is back once a month and is holding a Prom on May 15<sup>th</sup>, at 5pm at Brady's Run Park in Beaver Falls, Pa.
