

FREE METHODIST WORLD MISSIONS

PARTNERING IN GOD'S REDEMPTIVE WORK ACROSS THE CONTINENT

The coming year is full of exciting opportunities for Free Methodist World Missions–Africa. In the coming months we anticipate completing the first two training manuals of a new standardized pastoral formation curriculum—strengthening and equipping leaders across the continent for faithful, effective ministry. As of May, we also celebrate having six missionaries serving on the field, with four of them deployed just this year! We remain open and prayerful, trusting the Lord to continue calling and sending even more missionary workers to join in the harvest. Guided by our mission of participating in God's redemptive purpose for Africa, we are committed to supporting the African Free Methodist Churches as they develop healthy leaders, multiply committed disciples, and empower transformational churches. Together, we move forward with hope, confident that God is bringing about a powerful new season of growth, transformation, and kingdom impact across Africa!

Ministry Highlights

► 13 Countries

Active work in 13 countries and newly expanding work in nations like Burkina Faso, Guinea Bissau, Guinea Conakry, Ivory Coast & Sierra Leone.

► 131 Ordained

Trained, equipped, and serving their communities and building the Church with strength and vision.

► 135 CMCs

The next generation of pastors rising up to impact Africa with the love and hope of Christ.

► 6 Missionaries on the Field

By May 2025, we will have six missionaries living on the field in Africa—two in Rwanda and four in Togo.
