Dear Harvest Conference,

The Impact Youth Task Force is once again in a rebuilding phase. Several team members stepped down due to various circumstances, but we are pressing on and looking forward to what the Lord is going to do in the upcoming year!

Without a solid team, I had to pivot from our original plan and see what other doors and opportunities might be out there. I connected with Chuck Jewell, the Keystone Conference youth director and we began talking about ways our conferences could partner together.

We were able to partner with them for our winter retreat. Several Harvest Conference youth groups attended Winterfest and it was a joy for both conferences to come together.

We will also be partnering with Keystone Conference for summer camp. They host Youth Adventure Camp for grades 7-12th grade and several Harvest Conference students will be attending. I will be the speaker and camp pastor for this event.

If you are interested in serving on the task force or know someone who might be interested, please reach out!

Blessings,

Emilee Smith
