

Partnering with the global Free Methodist Church, we advocate for the spiritual, physical, cognitive, and social development of children. We dream of a world where every child is loved, safe, and developing their God-given potential.

ICCM sponsors have been changing lives since 1965. Worldwide, we can point to adult alumni who once benefited from sponsorship and scholarships. They now

serve as leaders in their homes, communities, and nations. We celebrate the more than 100,000 children who have been blessed by sponsorship in these 50+ years.

Sponsorship and projects make a difference. We know this because we receive reports telling us,

“ Our hearts are filled with gratitude and praise because of your help. ”

When a child is helped the family is helped. When the family is helped the church is helped. When the church is helped the community is helped. In one aspect or another all change a world.
